

The reunion committee with Lee Ayers walking point has made a decision on the 2014 reunion. We are going to Mustang Island (Port Aransas), Texas. (near Corpus Christi) The dates are Thursday Sep 18 thru Sunday Sep 21. We are staying at the Sandcastle Resort (see rates and link below). We only have to have 10 rooms to get the discount. More rooms reserved gets a larger discount. The rates are really good. The Sandcastle is a condo resort. Every room is a suite (even the two person efficiency). Sat night dinner is being catered in for approx \$25 a person, also way better than last year. **THERE WILL BE A LARGE ROOM RESERVED FOR US TO GATHER IN, swap lies, memorabilia etc.** We can BYOB as well anytime we want to. There are a number of possible activities beyond beach, swimming etc. Golf nearby, a possible tour to the factory that repairs our helicopters, deep sea fishing plus lots to do in Corpus Christi...the USS Lexington is anchored there for example. I will provide the link to the chamber of commerce as well below:

As always I would like for you to inform me when you register so Lee and I can keep track of who's coming, not only for the hotel purposes but also any group tours that we might want to participate in:

P.S. I did take a survey as to whether to have the reunion in 2014 or not. Most still wanted to have the reunion—the most common reason was "we are not getting any younger and won't be around forever" to paraphrase.

P.S.S. Just a copy of some of the things we have discussed FYI:

We can contract a cash bar with one of the caterers know to the condos if we want but doing it ourselves will save a bundle, agreed. Fishing trips of all types are available from a party boat that carries 30-40 people to a local captain that will take just a few. We have the Lexington Aircraft Carrier museum, the Texas State Aquarium, Malls in Corpus proper, Swimming, fishing off the shoreline, tennis courts, 2 hot tubs, workout center, coin operated laundry on premise, boardwalk to the beach, turtle pond???? (OK). And always, fresh rattlesnakes from time to time.
